3. Click "Register for Classes".

4. Select the desired class(es) and check out.

6. Once you check out, you will receive an email listing your student's class enrollment.

**Refunds:** Tuition is **nonrefundable** unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. **You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor.** All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process. If you wish to apply for a refund, please contact your school site coordinator.

**Flex Accounts:** Receipts for dependent care documentation are available on request. Please Contact IPSF with parent name, child's name, address, phone number and location of ACE class attended. (949) 263-8340.

**Class Age Limits:** In order to develop classes suitable for a particular age range, we specify age limits in the brochure. However, exceptions are possible since children display different levels of maturity and ability. Please call if your child is interested in a class but doesn't fit the printed age profile.

### Class Confirmations:

Class Confirmations will be confirmed as the online registration is completed for each individual student.

### Class Cancellations:

We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

### Transportation:

Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

**ACE students must be picked up immediately after class.** Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

**Continuing Classes:** Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

**Conduct:** Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation". If a second citation is necessary, the child will have to speak to the school principal and may be dismissed without refund.

**Scholarships:** A limited number of 50% - 100% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing the scholarship form at [www.ipsfacademy.org](http://www.ipsfacademy.org). Please contact Stephanie at [sbynon@ipsf.net](mailto:sbynon@ipsf.net), (949)265-6411 for further information.

**Attendance – If your student is absent the day of his or her ACE class, please send a message to the contact listed before 11 am on the day of ACE class.**
